SAMPSHA:

FosterCat Inc:

Al-Alon: Alcoholism Treatment Program

Guidance: Provide love and support. Suggest other ways to get high without using a substance. Children can try playing sports, do volunteer work, work hard in school, show gratitude daily, exercise and pray or meditate. Get enough sleep and eat right. We are all imperfect and need to learn to appreciate and to tolerate differences. Parents need to be good role models. And of course, be kind to animals,

especially cats.

3rd and 4th grades
